What is the status of a Council file?

The status of Council files can be obtained from the Council File Management System at the following web site:

[LACityClerk Connect – Council File Management System](#)

The Council File Management System is a tracking system of all legislation considered and/or acted upon by the Los Angeles City Council. It allows the user to search for Council files by Council file number, keywords, names, phrases or dates. If you do not have access to the internet, please contact the Council and Public Services Division, Index Unit, at (213) 978-1045 for assistance.

To which Committee was a certain item referred and what is its status? Who do I contact and what is his/her phone number?

Council file referral information can be obtained by either searching the Council File Management System at:

[LACityClerk Connect – Council File Management System](#)

Or by viewing the Referral Memoranda at:

[LACityClerk Connect – Referral/Journal](#)

The Referral Memoranda is a daily listing of documents received for Council consideration and the Committees to which they have been referred.

Each Committee is assigned a Legislative Assistant who prepares agendas and reports, attends meetings, and answers inquiries from the public and City personnel regarding items to be considered by Council. For a listing of Legislative Assistants, their assigned Committees, and contact information, please visit the City's website at:

[City of Los Angeles](#)

Click Committee Assignments which is located on the right pane of the website.

If you do not have access to the internet, please contact the Council and Public Services Division, Index Unit at (213) 978-1045 for assistance.

When will an item be scheduled in Council?

To find out the date that an item will be scheduled for Council, please contact the Council and Public Services Division, Calendar Unit at (213) 978-1059.

For accelerated files, please contact the Public Works and Gang Reduction Legislative Assistant at (213) 978-1064. Accelerated files are those files that bypass Committee consideration and are submitted directly to Council for consideration. Prior to Council consideration, accelerated files only require the approval of the affected Council District and Public Works Committee chairperson. Examples of accelerated files include requests for stars on the Hollywood Walk of Fame, dedication of easements, and Resolutions to Vacate submitted in response to Council action.

What was the action taken on a Council meeting agenda item? How can I obtain a copy of the minutes?
